

Appn. Number 10/800,307 (Matena et al) GAU 2113 Amnt. A contd. 9 of 9

REMARKS—General

By the above amendment, Applicants have restricted, per examiner's request, the application to one invention by electing a subset of the original claims. The set of the elected claims is in accordance with the examiner's request communicated in the Office Action mailed 2007 Jan 11.

CONCLUSION

Applicants are thankful to the examiner for identifying multiple inventions in the application. The above amendment restricts the application's claims to one invention, as requested by the examiner. The applicants have withdrawn the non-elected claims and plan to file divisional applications for the withdrawn inventions.

Very respectfully,
